Hi Julie,

I hope everything is going well. Can you let me know if the Santa Monica Bay NEP shared the infographic that EPA headquarters developed during national estuaries week? If yes, which medium (website, hardcopies, social media etc.)?

Also, good luck tonight. I hope everything goes without a hitch.

Best,

Erica

Good morning,

We would like to know if your NEPs shared the infographic during National Estuaries Week. If so, which medium (website, hard copies, social media, etc)?

Could you get back to me as soon as you have info on this? We're finalizing our communication piece as part of a shout out or talking points, or both.

Thanks,

Vince
